ABOUT KERALA LAW ACADEMY

The Kerala Law Academy Law College (KLA), a premier law college established in 1966, is a seat of excellence in legal education, consultancy, research and pioneering law reforms. This esteemed institution is located in the 'heart' of Trivandrum, the capital city of Kerala, India, on a hill of sylvan splendour with a view of Arabian sea on one side and the Western Ghats on the other. The college is affiliated to the University of Kerala and, it offers Undergraduate programs in B.A LL.B and B.Com LL.B (five year integrated courses), LL.B (Unitary) three year courses and Post-Graduate courses of LL.M (Administrative law), LL.M (International law) and MBL (Master of Business Law). The liberal ambience of the research wing and its sister institute for Research program in Law (PhD), "Center for Advanced Legal Studies and Research" (CALSAR), is conducive to ignite nascent thoughts and ideals. The reason for the strength and success of this institution is our students from all across the country who are nearly 2500 in number. Academy has been fostering many legal minds who have gone on to become upstanding citizens and an integral part of legal communities around the world. "Academy Law Review", finds vivid expressions and has won numerous international acclamations ever since its appearance in print in 1977. The moot teams of the Academy are the flag bearers in renowned international fora. Academy's social commitment is embedded in its socio-legal clinics and consultancy service. The teaching standards and research quality consistently receive high ratings, and it maintains a strong research culture with all faculty actively researching in their preferred areas. Experienced and learned teachers and a highly supportive learning environment aiming for nurturing the personal development of the students is one of the many highlights of our institution. Apart from Kerala Law Academy's prestigious All India Moot Court Competition and National Client Consulting Competition, we have had various other competitions such as National ADR competition, National Trial Advocacy Competition and cultural festivities as well. We also feel privileged in hosting many seminars on highly relevant topics, and on top of these we have been fortunate enough to be in the presence of pre-eminent legal minds and other dignitaries from the legal field who graced us with their time as Judges, panel members and other valuable members associated with the events.

LACULT

LAW ACADEMY CULTURAL ASSOCIATION

TALENT+ PASSION = OPPORTUNITY

With great pride, LACULT (Law Academy Cultural Association formed in 1991) was the most vibrant club of KLA and it was revived in 2020-2021. Being a platform to develop and encourage the inborn artistic and cultural talents of KLA students, our college prides in having the tagline “where passion and talent meets opportunity”. Enthusiasm is a boon only if it comes with responsibility. We are proud to say that our students take charge of things and complete it with determination. This is the culture inculcated in them which drives them to achieve the targets and set new benchmarks.

Lacult was inaugurated by Honourable MLA Shri. Ganesh Kumar. Under the joint auspices of LACULT, the National Law Day celebrations and Xmas Celebration-Gloria Deo, were held with great Success. During the academic year 1990-91, KLA got the overall 2nd position in the Kerala University Youth Festival, which was held at Pandalam, Pathanamthitta District. During the 1990s, a choir group, and a music and Ganamela team consisting of KLA students functioned under the LACULT. Now these groups and teams are being revived. In 1992, LACULT organized “Excel 92” a Cultural and Arts Festival/competition for all professional colleges in the State of Kerala which was a huge success. LACULT provides a platform to showcase the artistic and cultural talents and skills of students and in organising cultural events, conducting regional and national competitions in this regard and giving support to KLA students for participation in cultural competitions. LACULT also envisages a permanent online (entertainment) platform exclusively for cultural activities. Not only students, teachers are also active members, in which, they're commemorating their college days.
